Preliminarily, at approximately 5:36 p.m. police responded to a call of a "Suspicious Package" inside Millennium Park located near Cloud Gate. Bomb and Arson responded and conducted their investigation, determining that the suspicious package was in fact comprised of two bricks. Further investigation revealed the device apparently had been left behind by subjects participating in a role-playing event. Three subjects are being questioned in relation to this incident. Police and Fire remain in the area at this time for further investigation.
